

19 Essentials 12 Pairs Dotted PVC Cotton Work Gloves - Single Sided Dotted Gloves for Superior Grip- String Knit Safety Gloves for Construction, PVC Work, Gardening, and General Purpose - Large - White

Features:

PREMIUM QUALITY: The cotton knit gloves are designed to completely wrap the hands and provide superior protection. Poly/cotton fabric safety work gloves with elastic wrists are suitable for both women and men to use in the workplace.

COMFORTABLE & BREATHABLE: Knit work gloves grip with dots provides high breathability and is safe for your skin. These warm cotton gloves protect your hands from the cold and provide comfort.

PVC DOTS FOR FIRM GRIP GLOVES: These Cotton Gloves are coated with PVC dots on the Front side. PVC knit gloves with dots provide you with a sure and secure grip, so you can complete any task having the best grip.

FORM-FITTING – These dotted gloves are designed to be taken on and off quickly thanks to their elastic wrist and cotton knit construction. They provide exceptional ease of wear, even over extended periods of time.

ELASTIC WRIST: A molded elastic wrist keeps dirt and debris out of the glove. It wraps around your wrist tightly and provides flexibility while working.

COTTON WORK GLOVES BULK: 19 essentials value your hard-earned money and offers our customers a value pack of Bulk Work Gloves without compromising the QUALITY. Each package includes 12 Pairs.

CUSTOMER SATISFACTION: 19 Essential is a well-known brand that is well-liked by customers worldwide. Our products are backed by outstanding customer service, ensuring your complete happiness. If you don't like our Dotted Work Gloves for any reason, you can return them within 30 days. We appreciate hearing from you and want to resolve any issues as quickly as possible.
