

5Seconds Steel Platform Truck, Platform cart 48" Length x 24" Width x 11.8" Height Deck Flatbed cart, 2000 lbs Capacity, Gray, 4' x 2' Push Cart Dolly with Rubber Caster

Features:

- [Move Cargo, Items, Boxes and More]: The 5Seconds Commercial Large platform dolly makes it simpler to receive, load, and unload tools and parcels. You may stack moving boxes, wood planks, baggage, and more on top of the metal moving cart with wheels wagon.
- [Large Support Load Capacity]: Hand platform deck is 11.8 inches (29.9 cm) above the ground, and a flat cargo moving cart with dimensions of 24 by 48 inches (91.4 by 182.8 cm) can support 2000 pounds (907.2 kg) of weight.
- [Easy Steering Control]: 4-Flat Wheel cart feature 2 rigid caster wheels and 2 swivel wheels for easy movement in any direction you choose. In addition, 6-inch (15.3cm) diameter solid rubber caster wheels enable maneuverability on gravel or paved surfaces.
- [Built to Last]: The steel flatbed cart has a reinforced base for added support and stability, 2-inch (5.1cm) thick rubber wheels that reduce the risk of flat tires, and a portable dolly handle that is 29 inches (73.7 cm) tall and that pins onto the cart for maximum security before being removed for simple storage. Rolling flatbed platform dolly cart with wheels makes it simple to store and carry products in manufacturing facilities, auto shops, shipping docks, restaurants, and homes.
- [Ideal for Office or At Commercial and Home Use]; A steel flatbed rolling cart, four caster wheels, a wide push handle, and assembly hardware are all included in the large platform dolly kit.
