

PAD-ATGL2

Adjustable Anti-Theft Security Grip with Hand Strap

For 7"-13" Tablets

Easily adjusts for horizontal or vertical views

Adjustable Anti-Theft Security Grip with Hand Strap

Keep tablets secured with CTA Digital's Adjustable Anti-Theft Security Grip with Hand Strap. Perfect for classrooms, offices, or commercial spaces, this solid holder adjusts diagonally to securely fit 7"-13" tablets, including new iPad 7th Gen, 12.9-inch iPad Pro (2020), 11-inch iPad Pro (2020) and all Surface Pros. A resizable hand strap at the back of the holder rotates a full 360 degrees to accommodate handheld landscape or portrait orientations, providing you with exceptional ease of use and portability wherever you are using your tablet. The holder length easily resizes with a simple sliding mechanism. The adjustable and spacious holder firmly grips the corners of your device or protective case up to 1" in thickness. This capable, clever device can even be mounted to our Display Stand for desks and counters.

Features:

- Grip mechanism rotates 360 degrees for easy handheld landscape and portrait orientations
- Comfortable, resizable hand strap
- Simple slide adjustment mechanism resizes the holder
- Compatible with protective cases up to 1" in thickness
