

Bulk Cat 5e Ethernet Cable - 1000 ft. - Solid - Plenum CMP - Blue

Product ID: WIR5ECMPBL

The WIR5ECMPBL Cat5e Plenum Bulk Cable (1000 ft) meets or exceeds all Cat 5e specifications to ensure reliable Ethernet network connections, and features a foot-marked jacket that enables you to measure your cable runs to your exact installation requirements. Also, the blue PVC jacket enables you to color code your drops as needed for a more organized installation.

Constructed of only top quality materials, the WIR5ECMPBL delivers reliable performance and is backed by our Lifetime Warranty.

This Category 5e cable has been tested for CMP (FT6) plenum-ratings, and is ideal for installation in air plenums, ducts, walls, conduit, ceilings, etc. where CMP fire rating is required.

StarTech.com Cat5e cables are manufactured using high-quality copper conductors. While many cable manufacturers offer a "cheaper" cable, based on a copper-coated aluminum core, we make no compromises on quality to ensure you receive top value and performance for your network cable investment.

This Cat 5e cable is constructed with 24 gauge copper wire, to support a broad range of Ethernet applications such as Power over Ethernet (PoE). Because we use a high quality copper wire, our cables easily sustain the power required for Power over Ethernet applications, whereas the inferior quality offered by copper-coated aluminum cables may be subject to insufficient power delivery, heat buildup, equipment damage and potentially, fire.

Certifications, Reports and Compatibility

Applications

- Can be used in air ducts and plenums where CMP fire rating is required
- Designed for use with Fast Ethernet networks

Features

- UL Listed CMP/FT6 Plenum Fire Rating
- Foot-marked cable
- High quality 24 AWG copper wire
- Carefully constructed and tested, to keep Near End Crosstalk (NEXT) well within acceptable limits
- Constructed with top quality components

Hardware

Warranty	Lifetime
Cable Jacket Material	PVC - Polyvinyl Chloride
Fire Rating	CMP Rated (Plenum)

Performance

Cable Rating	CAT5e - 350 MHz
--------------	-----------------

Physical Characteristics

Color	Blue
Wire Gauge	24 AWG
Conductor Type	Solid Copper
Cable Length	1000.0 ft [304.9 m]
Product Length	1000.0 ft [304.9 m]
Product Width	0.2 in [5 mm]
Product Height	0.2 in [5 mm]
Weight of Product	23.6 lb [10.7 kg]

Packaging Information

Package Length	14.0 in [35.5 cm]
Package Width	13.8 in [35 cm]
Package Height	9.0 in [22.8 cm]

Shipping (Package) Weight	25.2 lb [11.4 kg]
------------------------------	-------------------

**What's in the
Box**

Included in Package	1000 ft Roll of Blue Plenum CMP Cat5e Solid UTP Bulk Cable
