Dual Charging On-The-Go

Quickly charge your USB portable devices. A great travel solution for life on the road when you don't have the convenience of an AC outlet nearby. With its dual USB ports, you can charge two devices simultaneously.

Compact and Portable

Small enough to fit in your pocket, bag, and even in your palm, this lightweight and portable battery charger makes the perfect travel companion. Don't be stranded on the road with a dead battery. Have comfort in knowing that power is within reach.

Universally Compatible

Offers two standard USB charging ports (one 5V/1A and one 5V/2.1A) that supports most USB powered devices such as smartphones, tablets, gaming devices, mp3 players, bluetooth speakers, bluetooth headsets, ebook readers and more. The original charging cable that came with your mobile device may be needed.
