

# Sub-base PBL-3/4-D-MIDI-R

Part number: 546506

FESTO

## Data sheet

| Feature                          | Value                                     |
|----------------------------------|---|
| Size                             | Midi                                      |
| Type code                        | PBL                                       |
| Series                           | D   |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress             |
| Temperature of medium            | -10 °C ... 60 °C                          |
| Product weight                   | 130 g                                     |
| Pneumatic connection 1           | G3/4                                      |
| Note on materials                | Free of copper and PTFE<br>RoHS-compliant |
| Material of sub-base             | Die-cast zinc                             |
| Sealing ring material            | NBR                                       |
| Material of screws               | Steel                                     |
