

Chicago Pneumatic hand carry compressors Small in size but powerful on the job

POWERFUL and **ULTRA- COMPACT**, the Easy Air weighs in at a super light 22 lbs. The Easy Air features a reliable source of air when a larger air compressor is either not available or feasible. This compressor is oil less, which means zero risk of contaminated air, zero chance of oil spills, and less maintenance.

Tank Size	Portability	Drive	Horsepower	Lubrication	Weight
1.6 Gal	hand carry	belt drive	1.5	oil less	22 lbs

Max Working Pressure	CFM @ 40 PSI	CFM @ 90 PSI	Sound Level
115 PSI	3.0	2.0	74 +-3 dB(A)
