

CP WallAIR

Wall-Mounted Air Compressor with Hose Reel – 1.5 hp

The compressor that is always at hand yet out of the way

Chicago Pneumatic's new WallAIR unit is a necessary addition to your workshop. You get a compact compressor and a 32 foot hose in a sturdy casing that is mounted directly on your wall to save space. Just press the start button to inflate, staple and paint away. With 130 PSI (max) pressure, you have plenty of punch to get your projects done quickly and easily. The units are oil-free, which means zero risk of contaminated air, zero chance of oil spills and less maintenance. If you are looking for a true no-hassle compressor, Chicago Pneumatic's WallAIR is your ideal solution.

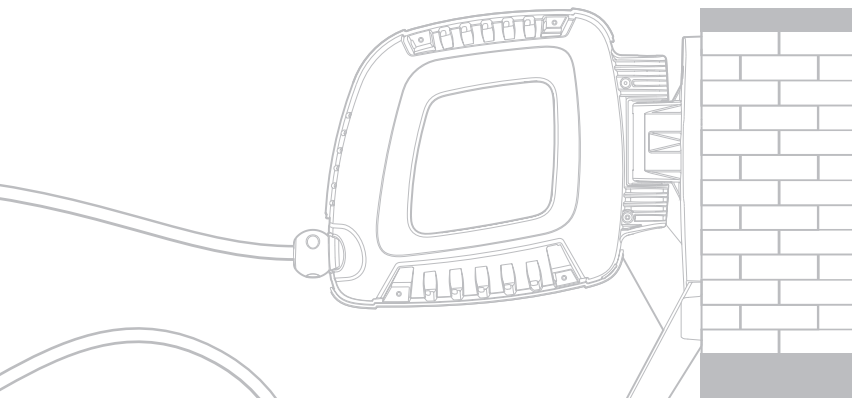

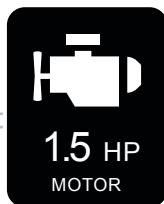

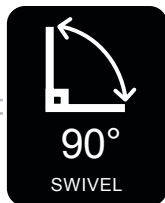

Includes inflation kit

Consists of an inflation gun, a set of metal and plastic nozzles, and an adapter (blow gun nozzle); ideal for tire and toy inflation and cleaning.

CP WallAIR

Wall-Mounted Air Compressor with Hose Reel – 1.5 hp
