

PS Slimline Series

Portable Shipping Scale

The PS150 and PS400 Slimline Bench Scale is a strong, robust, general purpose, scale particularly suited to a wide range of warehouse and portable weighing applications.

This easy-to-use, portable scale offers exceptional value for your money while making fast, easy work out of weighing parcels or boxes. The PS150 and PS400 Slimline are ideal for use in warehouse shipping/receiving areas and mail rooms along with other general weighing applications.

This dual-powered platform operates from an AC adapter (included) or four AA batteries (not included) that provide up to 168 hours of battery life, making it ideal for portable applications without the need to find power outlets.

Featuring just three large, raised keys and a highly visible LCD display with 1.2 inch high digits, the PS150 and PS400 Slimline is easy-to-operate, even when wearing gloves.
