

# Terry Towels

## DESCRIPTION

**Black Swan's Terry Towels** are 100% cotton. The towel dimensions are approximately 16" X 19". Made from white cut up terry towel pieces, making for a thicker all-purpose rag. The material is highly absorbent. Great for heavy duty jobs such as in machine shops, auto shops, and manufacturing facilities. These rags can be washed and reused for long term use. Black Swan's **Terry Towels** are low cost and the recycled material makes them an eco-friendly option.
