**Product Information**

The P-Series Projector designed LED kit is the perfect solution for newer vehicles using projector lenses for Low and High beams. Replace the insufficient and unsafe OEM halogen incandescent bulbs and replace with a higher power premium solution that will allow you to see better at night and further down the road or trails. Unlike, all other LED headlight options in the marketplace, the P-Series from Race Sport is designed to give a 100% perfect beam pattern in the projector and down the road or trails. No lines, no glare, no hassle, no disappointment. And our kits come packaged with optional Plug-n-Play canbus decoders for complex canbus enabled vehicles that may require it. You will never need another solution for the installation. No Spray, No Shadows, No Diode overheating, no more Projector worries with LED technology upgrades. Kit contents = (2) P-Series Bulbs + (2) Canbus decoders Voltage = DC 9V-32V Beam Angle: = 360° TRUE Rated Lumen (lm) = 4,750lm/bulb or 9,500lm/kit (Raw Lu
