Product Information

Looking for increased visibility while docking your boat? Wish your boat's deck was illuminated better at night? Marine Sport® Lighting's white flush mount RS-18W6LED-FM(W) LED spotlight are the perfect solution for providing a blast of convenient light wear you need it, when you need it. Marine Sport Lighting's RS-18W6LED-FM(W) marine grade LED spotlight features a total of 18 watts of CREE LED diode power, producing 2,000 lux of output, which means increased visibility during those late-night cruises on the water. The RS-18W6LED-FM(W) LED spots is fastened with a rubber grommet and injection sealant to provide IP68 rated defense against water intrusion and environmental attack which means you have the visibility to land that fish no matter the weather conditions. Marine Sport® Lighting is so convinced that we provide the highest quality marine grade led products around, that we're willing to stand behind our marine grade LED spotlights with a three-year warranty.
