

BUILD-UP THE POSSIBILITIES

reach new heights

nesting & stack chairs

Create workspace possibilities by multiplying seating capabilities!

Choose from a limitless selection of chairs to extend workplace seating while ensuring eye-catching features and comfort are on the rise. Give ambiance a boost with intriguing designs and radiant colors perfect for any climb to the top. Safco Nesting and Stack Seating easily allows any workplace to add more seating for a conference, meeting or for extra seating needed for the everyday - it's always ready to play or easily stack away! Pump up the stacking fun with three seating options: nesting, mobile or stationary. Nesting and stack seating is available in a variety of styles, including plastic and upholstery options.
