**THE DIAMOND 3D URINAL SCREEN** replaces THE PEARL 3D URINAL SCREEN in the BIG D® Premier Restroom Products line. Its unique design can be installed on either side, ensuring correct placement every time. It has a more open design and increased spike height, eliminating 99% of urine splash, which saves custodial cleaning time and patrons' pant splatters.

**THE DIAMOND 3D URINAL SCREEN** Side View

**THE DIAMOND 3D URINAL SCREEN** is manufactured from a specially engineered copolymer impregnated with an incredibly strong organic odor counteracting compound that is VOC compliant in all 50 states. It features Diamond & Spike Technology, with spikes of three varying lengths that help prevent splash back and cross contamination of urine to other areas outside the restroom. **THE DIAMOND 3D** is flexible for a proper fit to any urinal contour. The translucent design allows total viewing of the drain to ensure it remains free flowing as it collects debris before the drain is clogged. **THE DIAMOND 3D** is also safe for use in waterless urinals. The fragrance will last up to 30 days.
