

Easy Paks®

Detergent/Disinfectant

Cleans, deodorizes and disinfects a wide variety of hard, nonporous surfaces.

Features & Benefits

- Pre-measured packets make it easy to use
- Storage tub saves space and weighs less than 3 lbs
- Effectively cleans, disinfects, and deodorizes in one step
- Effective against bacteria and viruses, including HIV-1 (AIDS virus), and controls mildew

Applications

- Ideal for use in nursing homes and other settings where housekeeping and disinfection are important
- Use on inanimate, hard nonporous surfaces such as walls, floors, sink tops, tables, and chairs

Use instructions

Easy Paks® Detergent/Disinfectant cleans, deodorizes and disinfects hard, nonporous surfaces. Effective against bacteria and viruses, including HIV-1 (AIDS virus), and controls mildew. Ideal for use in nursing homes and other settings where housekeeping and disinfection are important. Use on inanimate, hard surfaces such as walls, floors, sink tops, tables and chairs.

Follow label dilution instructions by dropping packet directly into water. Do not remove packets before use. Store in cool dry place. Do not handle packets with wet hands.

- For heavily soiled areas, a pre-cleaning step is required.
- To disinfect inanimate, hard, nonporous surfaces add one premeasured packet of product (1/2 ounce per 1 gallon of warm water). Stir gently to form a uniform solution.
- Apply solution with a mop, cloth, sponge or hand pump trigger sprayer so as to wet all surfaces thoroughly.
- Allow to remain wet for 10 minutes and then let air dry.
- Prepare a fresh solution for each use.

Mildewstat

- To control mold and mildew on pre-cleaned, hard, nonporous surfaces mix this product at the stated dilution rate for disinfection.
- Apply solution with a mop, cloth, sponge, or hand pump trigger sprayer making sure to wet all surfaces completely. Let air dry.
- Prepare a fresh solution for each use.
- Repeat application at weekly intervals or when mildew growth appears.
- At the disinfectant dilution rate this product is also fungicidal against the pathogenic fungi, Trichophyton mentagrophytes.

Product	Pack size	Dilution	Product code
Easy Paks® Detergent/Disinfectant	0.5 oz./14 g Packets - 90 Packets/Tub x 2	1:256	5412135

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
