# LASER / INKJET PRINTER PRODUCTS

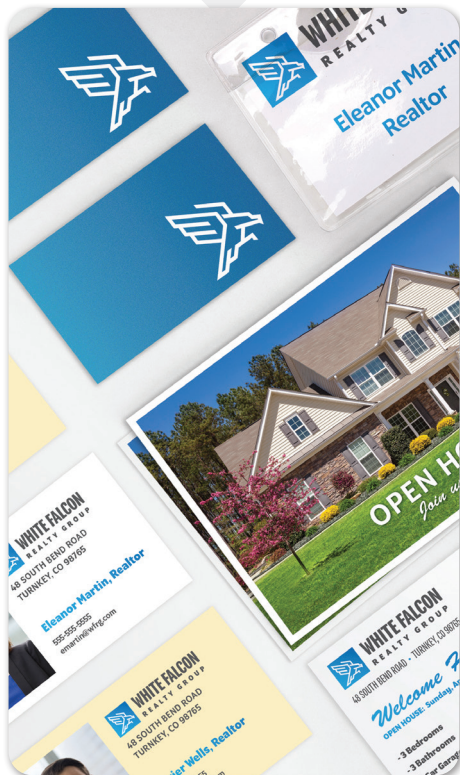

**MACO HAS A WIDE SELECTION OF LASER/INKJET  
PRINTER PRODUCTS TO FIT YOUR EVERY NEED.**

Presentations have impact, files stay organized, and professional-looking mailings are a breeze with MACO. MACO always uses high quality materials in every product while offering them at affordable prices.

## *Large Business*

Create mailing lists, name badges for conventions & meetings or business cards for a new employee in an easy and affordable way.

## *Small Business*

Build your brand and use a consistent look across a variety of different types of labels and card products.

## *Casual User*

Personalize gifts, party favors and customize invitations. Organize the pantry, storage boxes and other items with a coherent appearance.

# MACO LASER/INKJET PRODUCTS PERFORM WELL IN BOTH TYPES OF PRINTERS.

Laser products must withstand the high heat and toner fusion of laser printers. Inkjet products must easily absorb color inks to deliver crisp text and sharp images. MACO Laser/Inkjet products balance these two technologies, delivering optimum results every time.
