The SHAX® 6000B Replacement Storage Bag is lightweight, portable and used to store the **10ft x 10ft / 3m x 3m SHAX® 6000** or **6010** tent frame and canopy. This reliable roller bag features convenient dual wheels and handles to make hauling your tent a breeze. The heavy-duty 600-denier polyester material is built to last and provides an excellent cover to keep your canopy tent safe when not in use. A hard, flat bottom makes it easy to stand your bag up to reduce its storage footprint. The heavy-duty nylon zipper secures shut and allows for quick access.

Don't get stuck trying to transport your big pop-up tent from event to events without it!
