

Emergency Pullcord Station & Waterproof Emergency Pullcord Station, Crest Replacements for Cornell®

P/N E-104-1C
 E-104-1WPC
 E-104-1WPC

Typical Installation

1. Review wire designations on old station.
2. Replace the old station with Crest replacement station wire for wire. Review the Function Table below for reference.
3. Violet, Blue and Yellow Wires are not used. All of the unused wires must be capped.
4. Always test the nurse call station for correct operation before placing into service.
