Storage Products

GEARWRENCH

GEARWRENCH GSX Tool Storage products are built for the day-to-day needs of professional users. Designed with durability, access and maximum storage capacity in mind, they provide superior tool storage solutions for the toughest work environments. GSX tool chests, cabinets, and tool carts are designed to optimize even the most advanced user's workspace and include features like a textured coated finish, integrated power strips, heavy-duty industrial casters, and aluminum drawer pulls. When paired with our full line of mechanics hand tools, GEARWRENCH GSX Tool Storage products cover the needs of every level of a professional user.

Tool Storage

- Cabinet and chest made from 20 gauge steel for strength and durability

- Gas charged lift support struts supports easy lid opening and closing

- Black foam mat liner included for each drawer and top storage space for chests & cabinets to protect surfaces and contents

- Tubular barrel lock and key for added security and protection of chest contents

- Drawers made from 22 gauge steel for strength and durability

- Heavy duty industrial PP casters 2 fixed and 2 swivel, providing easy mobility of the cabinet. Each caster weight rated at 450 lbs.

- Power strip with 4 outlets, 2 USB ports, mounted inside lid with on/off switch

- Trigger lock system drawer release allows drawers to naturally open and close

- Ball bearing slides offer exceptional load capacity and easy slide action

- Auto return sliding drawer system for added protection of drawer contents

- Textured coated paint finish offers increased resistance to corrosion, weather and staining
