

Stretch Wrap Handi-Holders

DESCRIPTION

Black Swan's Stretch Wrap Handi-Holder is a two-part insert designed to fit into a 3" I.D. core. The user places one **Handi-Holder** into the top of the stretch wrap core and one **Handi-Holder** into the bottom of the stretch wrap core. The stationary inner ring protects ones hands from burning while the free turning outer ring allows for easy application of the stretch wrap.

Handi-Holders are made of high impact polymers and do not easily break or crack.
