

# Urinal Guard

---

## DESCRIPTION

**Black Swan's Urinal Guard** gives an extra punch to urinal cleaning and deposit removal. It effectively removes deposits of carbonates, sulfates, phosphates, oxides, urinary salts and other mineral deposits. It contains metal corrosion inhibitors and a strong anti-foam suppressant. **Urinal Guard** decimates the accumulation of uric acid and prevents it from reforming. **Urinal Guard** will help the urinal to flow freely.

---

## INGREDIENTS

Hydrochloric Acid (CAS ##7647-01-0)

---

## DIRECTIONS

1. Pour approximately one half pint of **Urinal Guard** into urinal.
  2. Scrub urinal thoroughly using a brush.
  3. Let **Urinal Guard** sit for 15 minutes. If possible, cover urinal to minimize fumes into area.
  4. Flush.
-

# GHS LABEL INFORMATION

## PICTOGRAM:

Corrosion Irritant

**SIGNAL WORD:** DANGER.

## HAZARDOUS STATEMENT:

May be harmful if swallowed. Causes severe burns. Vapor harmful. May cause blindness if splashed in eyes. Read all warnings and directions on back panel. Use only as directed. Keep out of reach of children.

## PRECAUTIONARY STATEMENTS:

Keep out of reach of children. Avoid breathing of fumes/gas/mist/vapors/spray. Do not get in eyes, on skin or on clothing. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

## FIRST AID:

**Eyes:** Immediately flush with plenty of water for at least 15 minutes. Remove contact lenses if present and easy to do so, then continue rinsing. Get medical attention.

**Skin:** Take off all contaminated clothing and wash before reuse. Rinse skin with water/shower. Get immediate medical attention.

**Inhalation:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get immediate medical attention.

**Ingestion:** Call a physician or poison control center immediately. Rinse mouth. Do not induce vomiting. If vomiting occurs, keep head low so that stomach content does not get into the lungs.

## STORAGE:

Store in original container and away from heat. Keep container closed when not in use. Store in a cool place. Keep away from heat, sparks and flames. Incompatible Materials: Strong oxidizers such as liquid chlorine, sodium or calcium hypochloride, pure oxygen, reducing agents, metals, bases, aldehydes, epoxides, explosives, acetylides, borides, carbides, silicides, sulfides and phosphides.

**DISPOSAL:** Dispose of container in accordance with federal, state or local regulations.
