# HEAVY DUTY

Our Heavy Duty tapes, coins and strips are the ideal options for keeping things organized and connected. Ideal for tools, equipment, wall hangings and projects that require a little extra strength.

**VELCRO® Brand Industrial Strength** tapes, coins, and strips offer significantly more holding power than everyday VELCRO® Brand Sticky Back fasteners. They feature a molded plastic hook and a heavy duty, water-resistant adhesive for superior holding power on smooth surfaces including plastic.

### Available Colors

### Available Shapes

### Packaging Types

- Water resistant adhesive
- More holding power
- Adheres to most surfaces including plastic

**VELCRO® Brand ALFA-LOK™** fasteners feature new technology with superior holding power. Designed to adhere to most surfaces including vinyl and concrete.

### Available Colors

### Available Shapes

### Packaging Types

- Water & UV resistant adhesive
- Indoor/outdoor Use
- Superior Hold
- Designed for extreme temps ranging from -40° F to 194° F (-40° C to 90° C)

### Icon Descriptions

Please refer to the product table for detailed packaging information.

**VELCRO® Brand Industrial Strength - Low Profile** fasteners provide superior strength with 30% less thickness than our regular Industrial Strength products. These water-resistant, low profile hook and loop fasteners are ideal for smooth surfaces such as painted wallboard, glass, metal, and most plastics.

**Available Colors**

**Available Shapes**

**Packaging Types**

- Water resistant adhesive
- Low profile
- Adheres to most surfaces including plastic

**VELCRO® Brand Extreme Outdoor** fasteners feature an all-weather, UV-resistant adhesive for rough surfaces including concrete and certain types of brick. Superior holding power meets the requirements of demanding indoor and outdoor applications without drilling, nails, screws or epoxy.

**Available Colors**

**Available Shapes**

**Packaging Types**

- Professional grade adhesive
- Indoor/outdoor use
- UV resistant
- Designed to adhere to rough surfaces

**VELCRO® Brand Sticky Back for Auto** features vinyl-compatible adhesive specially formulated for use on dashboards and consoles. Excellent holding power for general uses in automobiles, RVs and boats.

**Available Colors**

**Available Shapes**

**Packaging Types**

- Professional grade adhesive
- Easy to use
- Designed to adhere to flexible vinyl
