

Husqvarna S 11

Husqvarna S 11 is a compact and portable H-classified wet and dry industrial vacuum cleaner for general cleaning and handheld tools. It is equipped with HEPA-filters and offers automatic filter cleaning by shaking the filter during operation for a continuous air-flow. This vacuum unit is very easy to transport and handle thanks to its compact design, low weight and convenient carry handle.

Auxiliary outlet

It is quick and easy to connect the dust collector with your power hand tool with the Aux power outlet.

Excellent mobility

The low weight, compact design and transport handles allow for smooth transportation.

High productivity

Thanks to the automatic filter cleaning, you can keep operating without interruptions. The dust collector has a constant high airflow, and leaves minimum dust on the floor.

PXM_FEATURES

- High productivity
- Excellent mobility
- Auxiliary outlet

Technical Specifications

MOTOR
