

## Power Brick

### Laptop Power Bank with AC Outlet

Don't let the name fool you; this Power Brick is a fully portable and fully powerful travel power station. The 65W USB-C Power Delivery port is every bit as powerful as your standard laptop charger, and the seriously huge 24,000mAh capacity is enough to double your laptop's battery life on the go. Whether you're traveling out of the country, camping off the grid, or just kicking back at a tailgate - with 4 outputs and 3 different ways to charge—including a built-in AC outlet—you can recharge whatever you need, whenever you need it.
