INTRODUCTION

Antaira's CB-RJ45-DB9M-90 is a 90 cm straight through cable that converts a serial RJ45 connection to a serial DB9 male connection. This cable is used as a connection from the STE-708/716 series units to the end serial device. The CB-RJ45-DB9M-90 utilizes a UTP CAT5e cable with internal wires having an AWG-24.
