## MADE FOR A WOMAN

Made for a woman's hand

Billions of plastic bottles go into landfills every year. But now you can do something about it. Our new Home Grown collection is our first garden brand which uses WasteNot™ yarn. WasteNot™ yarn is made from 100% recycled PET bottles. PET stands for polyethylene terephthalate which is a form of polyester. Plastic bottles made from PET are recycled and turned into polyester to make gloves.

## HIGH PERFORMANCE
