

## Product Image

## Polyester Pull Line Measuring Tape

Polyester pull line is a pre-lubricated, lightweight, and abrasion resistant pulling line that is manufactured using a proprietary process designed for high temperature and high tensile strength cable pulling applications. It is printed with easy to read sequential footage markings and is manufactured to provide a low coefficient of friction to help minimize duct melting. It easily pulls and installs wire and fiber optic cables within PVC and HDPE ducts.

### Features:

- Pre-lubed for reduced friction
- Abrasion resistant
- Sequentially marked
- Durable print, non fading when wet
- Low elongation/dimensional stability prevents surging in use

## Product Dimensions

PN#	Length	Tensile Strength
<b>1/2"</b>		
DWP500	500 ft	1250 lbs
DWP1500	1500 ft	1250 lbs
DWP3000	3000 ft	1250 lbs
<b>5/8"</b>		
DWP501	500 ft	1800 lbs
DWP1501	1500 ft	1800 lbs
DWP3001	3000 ft	1800 lbs
<b>3/4"</b>		
DWP502	500 ft	2500 lbs
DWP1502	1500 ft	2500 lbs
DWP3002	3000 ft	2500 lbs
