PERSONAL HEARING

AMPLIFIER

HEAR EVERYTHING BETTER

NEED A LITTLE HELP HEARING BETTER?

The HearGear Personal Sound Amplifier is a PSAP that offers great hearing enhancement at a great price. Having trouble hearing in crowded areas? Unable to hear daily announcements at work? You have noticed that you have asked someone to turn up the TV volume more and more? These may be some signs that you should start using a PSAP.

ENHANCE YOUR HEARING

Family, Friends, Conversations, Concerts, TV, Music AND MORE! Don't miss a sound or a secret. Enhance your hearing and enjoy concerts, tv, music, concerts and more. Our digital sound processing technology and three setting choices make it easy to hear more clearly.
