# KIDS HEARMUFFS™

**PRESERVE YOUNG EARS, MUFFLE THE NOISE**

A child's hearing is precious and protecting it from loud, harmful noises is critical. Lucid Audio's Kids HearMuffs is advanced hearing protection for young ears of children ages 5 to 10. Our passive noise reduction protects your child's hearing from loud, potentially harmful noises. Whether at a sporting event, concert or any time your child needs a quiet environment, Lucid Audio's Kids HearMuffs comfortably silence loud sounds.

Designed to develop with your child, our Kids HearMuffs has an adjustable headband that fits a wide range of children's head sizes and smooth foam provides a comfortable fit. The Kids HearMuffs is made of child-safe materials and come in a variety of colors (White, Blue, Green, Orange and Red). Protect young ears and muffle noise with HearMuffs – passive hearing protection.
