

## PIG® TuffGrit™ Step Cover with Extra Coarse Grit

FLM3026 9" x 36" x 1", Install With Adhesive or Mechanical Fasteners, 1 each

Anti-slip step treads add traction in rugged environments, even in wet or oily conditions. Rigid fiberglass Stair Tread Covers with TuffGrit™ texture easily outperform rubber and vinyl treads, paints and tapes.

- Durable fiberglass step cover with proprietary TuffGrit™ extra coarse texture is 0.26" thick for use in high-traffic areas or heavy industrial environments
- Full-coverage design wraps around stair nosing -- where most slips occur -- and provides extended tread depth for excellent footing
- Aggressive anti-slip step tread adds reliable traction, even in wet or oily conditions, far exceeding ANSI standards
- Resists UV, chemicals, corrosion and heavy traffic for long-lasting protection, indoors or out
- Pre-cut Step Covers can be installed on steel and composite grating, steel and aluminum plate, concrete or wood (fasteners and adhesive not included)
- Available Glo Yellow option adds visibility in low-light conditions
- Ask us about custom sizes, colors and personalization
