

PIG Absorbent Mat Roll Refill for PIG® Oil-Only Quick-Response Spill Cart

MAT14401 Heavyweight, 15" x 90', 1 roll

Replenish your Oil-Only Quick-Response High-Visibility Spill Cart with this replacement roll of PIG Stat-Mat

- Easily mount this perfect-fit roll of Stat-Mat inside your Oil-Only Quick-Response High-Visibility Spill Cart, once the previous roll runs out, for continued oil-spill response with pull-and-tear dispensing
- Stay safe as you clean, thanks to PIG Stat-Mat's ability to dissipate static while absorbing oil, fuels, solvents and other flammable spills
- Caution: mats take on the properties of absorbed liquids, so always take proper precautions when handling saturated absorbents
- Note: this roll fits inside the current Quick-Response Spill Cart design; previous versions of the small caddy design do not accommodate this size of roll
