

PIG® Chemotherapy Drug Absorbent Mat Pad

MAT2015 Heavyweight, 15" x 20", 30 pads (3 packages of 10 each)

These absorbent mat pads help you meet USP General Chapter 800 standards for cleanup of hazardous drug spills.

- PIG Absorbent Mat Pads quickly help to soak up and contain spilled cytotoxins in accordance with USP General Chapter 800 standards for safe handling of cytotoxic drugs
- Mat pads can be combined with PPE (not included) to help satisfy requirements that spill kits must be part of your chemotherapy spill protocol and readily available in all areas where hazardous drugs are routinely handled
- Durable 4-mil bag protects absorbents from dirt and moisture; designed for fast response, easy inventory and low-profile storage in a cart or cabinet
- Ideal for use in pharmacies, hospitals, healthcare facilities, patient treatment clinics, physicians' practice facilities and veterinarian offices
