

Refill for Fendall Eyesaline® Wall-Mount Eye Wash Station

PLS1496 For Saline Eyewash Station, 16 oz. Bottle, 1 each

Use this bottled saline solution to refill your eye wash station or take it on the go as a personal eye wash.

- Unlike tap water, saline eye wash solution matches natural pH of human tears to soothe while it irrigates
- Easy-to-open, FDA-grade polyethylene bottle is sealed with a break-off T-tab lid for tamper-resistant protection of sterile solution
- Extended-flow nozzle provides irrigation longer than conventional designs
- Long shelf life helps you keep a replacement on hand after an emergency
- Expiration date is clearly marked for quick, easy inspection
- Straightforward bilingual text makes training and emergency response easier
- Compact, portable container refills your eye wash station or packs easily in a first aid kit
