

PIG® TuffGrit™ Ladder Rung Cover

PLS6012 Indoor or Outdoor Use, Install With Adhesive, 1" x 18"

Turn any ladder into an anti-slip ladder with these aggressively textured Ladder Rung Covers. Long-lasting TuffGrit™ surface improves footing to help prevent dangerous slips and falls.

- Proprietary TuffGrit™ textured surface resists UV, chemicals, corrosion and heavy boot traffic for long-lasting protection, indoors or out
- Fiber-reinforced polymer construction is lighter, stronger and less expensive than steel
- Durable covers are a permanent alternative to anti-slip tapes and paints that wear out and need to be replaced
- Rounded covers install directly over 1" diameter ladder rungs using industrial adhesive (not included)
- Available Glo Yellow option adds visibility in low-light conditions
- Ask us about custom sizes and colors
