

PIG® Emergency Spill Response Sign

SGN2021 Spill Response & Spill Kit, 14" x 10", 1 each

Clearly mark the location of spill kits and spill response equipment to help make responding faster and easier.

- Bright, bold colors and easy-to-read OSHA-compliant designs print the full width of the sign for maximum impact
- Available in three compositions to suit your use and budget
- Indoors or out, long-lasting, pre-punched aluminum signs offer superior resistance to UV rays, abrasion, chemicals and weather; lasts 5 to 7 years
- Plastic pre-punched signs are an economical choice for light-duty use indoors or out with weather and UV resistance; lasts 3 to 5 years
- Indoors or out, vinyl material provides exceptional flexibility and performance and features high-gloss film to resist weather and abrasion; lasts 3 to 5 years
