

PIG® Spill Station Sign

SGN2025 Spill Response, 1 each

Clearly mark the location of spill kits and spill response equipment in your facility.

- Bright, bold colors and easy-to-read OSHA-compliant designs print the full width of the sign for maximum impact
- Available in two sizes and three compositions to suit your use and budget
- Indoors or out, long-lasting, pre-punched aluminum signs offer superior resistance to UV rays, abrasion, chemicals and weather; lasts 5 to 7 years
- Plastic pre-punched signs are an economical choice for light-duty use indoors or out with weather and UV resistance; lasts 3 to 5 years
- Indoors or out, vinyl material with peel-and-stick backing provides exceptional flexibility and performance and features high-gloss film to resist weather and abrasion; lasts 3 to 5 years
