

PIG® Spill Kit Instruction Wall Sign

SGN2036 Spill Response, 18" x 12", 1 each

Clearly mark the location of your spill kit with this spill kit sign so that workers can find it quickly if, and when, a spill occurs.

- Spill Center emergency spill kit sign keeps your team aware of your spill kit's location at all times, decreasing response time and helping to identify missing items during inspections
- Printed with four-step spill response instructions to help workers safely and confidently respond to spills
- Bright color is highly visible to draw attention
- Predrilled holes for easy mounting; hardware not included
