

PIG® Storm Drain Marker

SGN8200 Storm Drain Marker, 4", 10 per package

Place these markers near drains to maintain awareness of drain and drain's discharge location.

- Use these drain markers to draw attention to drains around your facility and identify those drains' outflow locations
- Pick a marker with the unique message and image your facility needs and label up to 10 locations using a single pack
- Fit curbside near drain; not recommended to put directly onto grate
- UV resistant to prevent fading and weatherproof to last longer
- Recommend applying markers using Sikaflex Adhesive (sold separately)
