

# WorkWipes® Refreshed Rags - Colored T-Shirt in Bag

WIP515 Reclaimed Rags, T-Shirt, 25 lbs.

Washed and lightly scented, here's an economical and environmentally friendly way to have clean, fresh wipers.

- Strict material and size requirements mean you get more usable, high-quality rags in every package - no useless pieces!
- All of our reclaimed rags are double scanned for metallic content and screened for printing when applicable, so you never have to worry about contamination or poor performance
- Rags are visually hand-sorted and scanned to remove large printing to ensure they're usable
- Eco- and cost-friendly rags are made from factory mill ends of new cotton and cotton-blend T-shirt material
- More consistent performance and nicer appearance than reclaimed rags
- Thoroughly washed and scented to remove odors and stains, so you get a clean and inoffensive wiper every time
- Durable, low-lint material is ideal for staining, polishing and general wiping
- Compression-packed bags take up half the space of loosely packed boxes
- Poly bag means there's no heavy packaging added into the final weight; you get more rags than you would with an equal-sized box
- Want to try out a new rag? Your satisfaction is always guaranteed with the PIG Promise... try a case risk-free!

## Specifications
