

PIG® PR100 Disposable Microfiber Cloths

WIP698 Roll, 12" x 13", 475 wipers per roll

Keep your shop clean with these disposable microfiber cloth wipers that are soft enough for polishing but strong enough for rough surfaces.

- Wipe up around your shop using this roll of soft-but-strong microfiber wipers that clean without leaving fibers behind
- Rolls dispense easily and offer a lower cost per wiper for high-volume use
- Soft enough for polishing without scratching
- Tough enough to use on rough surfaces without ripping or tearing apart
- Versatile cloth works for wiping away grease, oil and wax; absorbing heavy spills; resisting solvents and degreasers or spraying and using with sanitizer
- Use wet or dry for a range of tasks, including staining, auto detailing, wiping up spills and more
- Binder-free and low-linting; won't shed, pill or leave behind fibers
- Unlike T-shirt rags and makeshift shop towels, size and performance are consistent
- When the application allows, these towels can be repeatedly washed and reused
