

Chemtex Level C Coverall with Hood

WPL137 Drawstring Hood Attached, Zipper with Snap Front, 1 each

Reliable Level C protection from chemical splashes, particles and more.

- Provides effective full-body splash and dust protection
- Flame-resistant nylon/polyester is coated with impermeable PVC to withstand acids, alkalis, oils and other chemicals
- Heat-welded seams, heavy-duty buckles and reinforced elbows/knees/crotch decrease rip-outs
- Storm flap, drawstring hood and elastic cuffs provide a better seal against splashes and particles
- Non-conductive and non-sparking to increase safety around electrical or combustible hazards
- Clear pocket protects and displays identification
- Great for use in decon, paintbooth or remediation work
