

Mechanix Wear® The Original® Gloves

WPL654 Hook and Loop Cuff, 1 pair

Get a comfortable, sure grip on hand tools when you're wrenching in these top-quality gloves.

- Durable Clarino synthetic leather palm is long lasting and comfortable
- Reinforced thumb and fingertips provide greater protection and wear resistance
- Lycra side panels and Spandex-padded back improve flexibility, fit and comfort
- Concealed interior seam stitching prevents snagging
- Elastic cuff with hook-and-loop closure ensures a secure fit
- Machine washable materials with hidden seams extend life of gloves
