

Zytron® 200 Level B/C Coveralls

WPL909 Elastic Hood Attached, Zipper Front, 1 each

Versatile Zytron series of coveralls are available in a variety of weights and style options to provide protection from Levels A to D.

- Tough Zytron material outperforms conventional materials on chemical hold-out
- Effective barrier against a range of organic and inorganic chemicals, including many acids, bases, salts, greases and oils
- Bound seams increase strength and help prevent chemical penetration
- Rugged coveralls provide superior resistance to rip-outs
- Generous cut allows full range of movement
- Long zipper front lets them go on and off easily
- Single storm flap with pressure-sensitive tape covers zipper for better seal
- Elastic face, wrist and ankle openings help keep out chemicals
- Attached hood extends protection to head
