

## PIG® Silicone Water Barrier

WTR040 Ideal For One-Time-Use, One 0.5625" W x 10' L x 1.2" H Section

Affordably block and divert small volumes of water with this lightweight, silicone water barrier.

- Low-profile water barrier has an adhesive bottom that adheres to smooth surfaces
- Install it once, away from traffic zones, and leave it down for long-term protection against nuisance leaks of clean water
- Flexible silicone can form tight curves and small diameter circles to surround almost anything - water heaters, air compressors, HVAC, boilers and more
- Installation is simple; just peel and stick
- Comes in a 10-foot section that can be cut as needed

Item#	Description	Dimensions	Weight
