

**PIG® Water Hog**

WTR204 1.5" x 11", Each absorbs up to 7.2 oz., 3 per box

Drop a Water Hog into a fuel-tank port for fast absorption of water without absorbing any fuel.

- Removes water from fuel tanks; absorbs water but not fuel
- Prevents frozen fuel lines and gelled fuel
- Combats rust, algae and filter blockage to help prevent premature engine wear and potential failure
- Heavy-duty rip-stop cotton skin with unbreakable plastic casing ensures snag-free use in closed tanks and ports
- Attached string allows easy deployment and retrieval
