

Improve business efficiency • Improve employee workplace safety • Improve patient care & management

2½" Molded Ring Binders

Omnimed molded 2½ inch ring binders are made of hospital grade tri-polymer material that is strong, flexible and easy to clean. Equipped with our patented twin-hinge system, sheets are easily added and secured in the binder. They are warranted to last and can withstand the hardest use without ripping or ring failure. These binders have a heavy duty 3 - ring system and come in a variety of fade-resistant colors to compliment your office or home needs. Each binder can accommodate up to 450 plus sheets. These products include a 3 year warranty.
