## **Designer Classic Wall Pocket - #255735**

Omnimed designer classic wall pockets are made of durable and easy to clean acrylic. These pockets will withstand years of use and still look new. They can be horizontally mounted to a wall, door, Bed, cart, or file cabinet and accommodate files and binders up to 1 ½' wide. The front of the pocket has an attractive additional smoke colored acrylic layer to help ensure patient privacy and assist with HIPAA compliance. Units invisibly mount to a variety of surfaces and include mounting hardware. They measure 12H x 12 3/4W x 2 3/4D.

- Color: Ebony
