

Table-Top Storage Rack - #264003-15

Constructed of a heavy duty powder coated steel base with steel wire organizers. Rubber feet on the base bottom prevent scratches and help to secure the unit to desk or cabinet surfaces. Racks can store top or side open binders, chart holders, clipboards and file folders. Organizers have openings of $2\frac{7}{8}$ inches wide and can accommodate binders up to 2 inches. The 15 capacity rack measures $7\frac{7}{8}$ inches high by $47\frac{7}{8}$ inches wide and 15 inches deep.
