Utility Cart - #264620

Utility Cart is constructed of 1 inch plated steel tubing that forms the scissor frame of this mobile unit. Its easy grab handles, smooth glide rubber casters and versatile basket and storage rack options make it a useful addition to any work environment. Accessory options include 6 or 12 inch deep utility baskets and 8 or 6 capacity storage racks.

Any combination of two options may be added to the cart to meet specific needs; two accessories are required per cart. Baskets or racks sit inside a strong interior steel frame within the cart that stabilizes them during transport and allows for their easy removal. This cart measures 38 inches high by 30 inches wide and 19 inches deep and folds flat for convenient storage. These units include a 5 Year warranty.
