MAGNUM JACKET AND BIB TROUSERS

The Neese Magnum 45 series is a medium weight yet heavy-duty nylon fabric coated with strong and flexible neoprene to provide maximum cold weather flexibility with a high resistance to abrasion. All stitching, except garment hems, are to be double needle stitched. All seams in the garment, except the hems, are to be sealed on the coated side of the fabric with a clear 7/8" wide PVC tape making the garment 100% waterproof.
